Affordable, reliable and flexible, Appleby Wraparound Care will be starting breakfast, after school and holiday clubs from January 2015. Run by Maxine Greenough, a qualified teacher, the Buzz Club will provide care from 8-8.55am and 3.10-6pm Monday to Friday term time, plus holiday clubs from 8am-6pm on selected dates.

How do I register?

All children who attend school are registered as members of The Buzz Club, however you are required to complete a form containing essential information before your first session.

What do we do?

On arrival we have a healthy snack and a drink. When weather permits we have some outdoor play and then children are given a choice of a range of activities. Special themed sessions such as film club or baking will be run regularly. During the holidays we will have themed days mixing organized activities with time to relax.

How do I book?

There will be a sign up sheet in the school office OR call/text 07708 297 090 OR email: applebywraparoundcare@gmail.com. Bookings for holiday club will open approximately three weeks before each holiday. Booking for term sessions is advisable, booking for holiday club is essential. For any further information just call, text or email.

What next?

Simply pick up a registration form from the school office or contact me via phone/text/email for a copy and I'll look forward to welcoming your child to The Buzz Club!
